ESS Safeforce expands

I am delighted to announce today the acquisition by ESS Safeforce of Able Safety (Yorkshire) Limited.

The business, based in Knottingley, Yorkshire, specialises in the hire, sale and servicing of core safety equipment. In addition it has a well established and thriving confined space training business.

For the year ending August 2007, the business turned over just short of £0.5m.

This acquisition will add a further branch location in the key Yorkshire region and will bring a quality workforce with a detailed understanding of the local market.

We are pleased to welcome Paul, Geoff, Giles, Stella and Grant to the team and wish them every success in their careers within the group.

A handwritten signature in black ink that reads "Jonathan Newport".
